DUBOIS - CUSHION

One of the prettiest weddings of the season was witnessed by a large number in the St James Church, Wednesday, August 2nd., at nine a. m., when Marie Yvonne Dubois, daughter of Mr and Mrs Modeste Dubois, and Otto J. Cushion, were united in marriage by Rev. Fr. Therrien, the double ring service being used. The ring bearer was little Bernard Riley and the flower girl little Anita Chevrier, grand niece of the bride. The bride's father gave her away. She was attended by Miss Shirley Sloan, the best man being Ovila Lacroix.

The bride was attired in white silk crepe with veil of white tulle, fastened with orange blossoms and carried a bouquet of bridal roses and sweet peas. The bridesmaid wore pink crepe with hat to match and carried pink roses. The bridegroom wore the conventional dark suit. The bride's mother wore black canton crepe and the mother of the groom wore black crepe de chine. Appropriate music was rendered at the church. The ushers were Charles Brunelle of Gorham, N. H., Harry French, Edwin Latourneau and Leo Moffett.

From the church the newly weds were driven to the home of the groom's parents, and a buffet lunch was served, which included the wedding cake. Both the church and home were beautifully decorated with flowers. The couple were the recipients of money and many expensive gifts.

They left on the noon train for a trip thru the White Mts and Boston. The bride's traveling suit was taupe with hat to match.

Their many friends join with us in extending to them wishes for a long, happy and prosperous married life.

Householders of New England Must Learn Use of Soft Coal

Before winter comes New England householders must master a new science—the proper method of burning soft coal. Anthracite coal will be scarcer next winter than at any time during the war, and bituminous coal must take its place for household purposes. Immediate steps will be taken to teach the use of soft coal.

Card of Thanks

We wish to thank sincerely all those who have so kindly assisted us in every way during our late bereavement, and also for the beautiful flowers.

STARTS SOMETHING

Asks a Question Which Takes the Whole Country to Answer

When Senorita Graciela Mandujano, Chilean delegate to the recent Pan-American Conference of Women, asked the names of the twelve greatest American women, so she could write them up for the publications she represents in the South American country, probably she expected some one to scribble them on the back of a card or an old envelope and hand it to her. However, that was some time ago, and the discussion preceded to a final answer has spread from coast to coast and the question has been the subject of editorial comment in practically every prominent newspaper in America.

The Herald contains a special illustrated article upon this subject each week, and while not furnishing an answer to the question will be found to be of great interest. This is one of a series of special illustrated articles which appear in the Herald regularly.

Feet Drag?

When it is an effort to drag one foot after the other, when you are always tired and seem lacking in strength and endurance, when aches and pains rack the body, it is well to look for symptoms of kidney trouble.

Foley Kidney Pills

banish effects of kidney and bladder trouble by removing the cause. They are healing and curative. They tone up and strengthen the weakened or diseased organs. They relieve backache, rheumatic pains, stiff joints, sore muscles.

W. W. Wells, Tonquin, Mich., writes: "I got great relief from taking Foley Kidney Pills. I am on my feet most of the time and get tired out. After taking Foley Kidney Pills, they make me feel like a new man. I recommend them to my customers and never have heard of any case where they did not give satisfaction."

2ND TENNIS COURT

Thru the untiring efforts of Clyde A. Jeffs, chairman Y. M. C. A. Physical work committee the second tennis court is now in use and is in first class condition, considering the short time since the surface coat was finished. There are a large number of players, yet room for more.

The Y M C A has been to considerable expense in putting the court in shape, yet for the use of the same no extra charge is made for playing, excepting it being a membership privilege.

The Island Pond Y M C A tennis team defeated the Coaticook Golf Club Tennis team at Coaticook 6-0. They also won from the Old Country Club of St Johnsbury on the St Johnsbury courts 5-3. The playing of Harold Tenney and Clarence Wilson featured both tournaments.

BEMIS J. MCKENNEY

The community was shocked and saddened when they learned of Mr. McKenney's death, which occurred Tuesday evening, August 1, at his home on Railroad street. A few days before he was cutting down a decayed tree in his yard, which in falling, struck him, injuring his spine, causing paralysis, from which he could not recover, although all that loving hands and skill could do were resorted to, without avail.

Bemis J. McKenney was born in Hebron, Me., Aug. 27, 1847. Living there until a young man, he then came to Stratford Hollow, married Emma J. Luther, of Maidstone, Vt. Dec. 25th., 1872. During the year 1878, his wife died, after this he came to Island Pond, marrying Hannah F. Rollins, June 26, 1894. He leaves to deeply mourn the loss of a kind husband and father, his widow, one son, Lucius C. McKenney, one grandchild, Cecil McKenney, and many neighbors and friends that miss his genial presence and kindly deeds. The beautiful flowers placed around his quiet resting place, bear mute testimony of the esteem in which he was held. The funeral was from the house Thursday afternoon, Rev A. A. Mandigo, pastor of the M. E. Church, officiating. Kind neighbors bore him to his last place in the new cemetery. The K. of P. lodge conducted the services at the grave. He was a charter member of Oswegotie Lodge, No. 17, Knights of Pythias.
